Reseller Program

Terms and Conditions:

Reseller agrees to hold confidential any information provided by Pcalchemy.com and designated as reseller confidential. And to pay damages for any such information disclosed to other parties.

Pcalchemy.com's acceptance of reseller's application to the Pcalchemy.com Reseller Program is contingent upon Pcalchemy.com's review of same and subject to revocation at any time for any reason.

Reseller agrees not to represent itself as having a direct relationship with Pcalchemy.com, unless otherwise agreed to in writing by Pcalchemy.com.

Reseller agrees to offer Pcalchemy.com's products only in accordance with such terms and conditions that are from time to time articulated by Pcalchemy.com on the website, by e-mail, or any other generally accepted means of communication.

Reseller understands that there is no expressed or implied exclusivity attached to Pcalchemy.com's Reseller program.

Resellers who have direct marketing support from Pcalchemy.com are not eligible for any incentive rebates, unless otherwise approved in writing by an authorized Pcalchemy.com representative.

Approved Pcalchemy.com Resellers may purchase directly from Pcalchemy.com, subject to account creation by Pcalchemy.com, and Reseller understands that the laws of the State of California govern the terms and conditions of the Pcalchemy.com Reseller program.

Pcalchemy.com reserves the right to modify or discontinue pricing, programs, offers, terms and conditions of the Pcalchemy.com Reseller program at any time and without any notice.

Pcalchemy.com makes no warranties about the accuracy of any information appearing on its website or any other media.
